### **Second Annual Morrow Police Department National Night Out Against Crime – August 5**

On Tuesday, August 5, 2014, from 5:00 pm – 7:00 pm, the Morrow Police Department will hold their Second Annual National Night Out Against Crime event. Over 60 people attended last year's inaugural event and enjoyed free hot dogs, soda and water, talked with officers and Village staff, inspected police vehicles, learned about the Morrow Neighborhood Watch Program, and were provided with free literature on a variety of topics. Please plan to join us for an even bigger event. The National Association of Town Watch began the National Night Out program in 1984 as an effort to promote involvement in crime prevention activities, police-community partnerships, neighborhood camaraderie, and send a message to criminals letting them know that neighborhoods are organized and fighting back. National Night Out now involves over 37.8 million people and 16,124 communities from all fifty states, U.S. Territories, Canadian cities, and military bases worldwide. NATW's Executive Director, Matt Peskin said, "It's a wonderful opportunity for communities nationwide to promote police-community partnerships, crime prevention, and neighborhood camaraderie. While the one

night is certainly not an answer to crime, drugs and violence, National Night Out represents the kind of spirit, energy and determination to help make neighborhoods a safer place year round. The night celebrates safety and crime prevention successes and works to expand and strengthen programs for the next 364 days.”

### **Help the Salem-Morrow Fire Department Protect Your Dreams**

The quicker the Salem-Morrow Fire Department’s firefighters or EMT’s can locate you, the quicker we can begin helping you and your family. In an effort to locate your home or business in an emergency, the Salem-Morrow Fire Department is providing a 6” x 18” reflective sign that will clearly display your street address. These signs are invaluable to firefighters, EMT’s, and police officers, who may be looking for your home in your time of need. Similar signs have been installed in other communities with startling results. The Salem-Morrow Fire Department is selling these signs at the low cost of \$12.00 each.

If you wish to have the SMFD mount your sign for you, they will do so for \$14.00. Each sign has your street address prominently displayed on both sides in highly reflective 3” numbers against a green background similar to those on an interstate sign. The signs are installed in such a way that assures their visibility, even in high grass and snowy weather conditions.

If you would like to purchase one of these signs, simply stop by the Salem-Morrow Fire Department, 5270 East U. S. Route 22 & State Route 3, Morrow, Ohio 45152, to complete an order form. In approximately 7 days, your sign will be ready for pickup or installation. Generally, the signs can be made, while you wait, in less than 10 minutes. Isn’t \$12.00 worth the peace of mind of knowing that help can find you in your time of need?

Topic: 19th century America witnessed a boom in the "patent medicine" industry. Patent medicines were NOT medicines that had been "patented" but rather "secret formulas" and unproven remedies that were sold directly to the public as medical cures. Some patent medicines did very little harm; others actually delivered their promised results, albeit often with very dangerous ingredients; and still others were what amounts to poisons. Dennis will display and discuss the supposed curative properties of some his personal collection of patent medicine potions, and bottles, many of which were actually from Warren County.

Speaker: Dennis E. Dalton is the author of the book *Waynesville and Wayne Township*, as well as a history researcher, lecturer and storyteller. He is a native of Waynesville, Ohio where his maternal roots go back to the family of Daniel Boone. Cost: \$20, paid reservation required.

"For more than two decades, this event has offered visitors the chance to discover Native American cultures in a very 'real' – hands-on – way," says Jack Blosser, Site Manager at Fort Ancient. "While attending the event has become a tradition for many families who return year after year, we work hard to make the Celebration an event people will remember."

Throughout the weekend, visitors can view numerous demonstrations by skilled artisans, listen to expert storytellers, flute players, participate in an herb discussion, and hands-on activities for the children. With crafts and games, tomahawk throwing, archery, and even traditional dance lessons, there are plenty of additional activities designed to appeal to visitors of all ages.

The Celebration's featured performer, Douglas Blue Feather, is one of the most accomplished and talented performers on the Native American flute in the world. Indian Peoples Magazine has recognized Douglas Blue Feather as one of the top performers on the Native American flute scene. While his accomplishments and

awards span 15 years, Blue Feather has received the 2012 Indian summer Music Award Winner “Best Contemporary Instrumental” for the song “Into The Sunset” from CD Earth Songs by Douglas Blue Feather and Danny Voris. He was also nominated for the 2012 “Best Native American Flute.” In 2013 Blue Feather received the Indian summer Music Awards Winner for “Best Native American Flute.”

### **Valley Vineyards Wine & Beer Festival, a Taste of Warren County**

Friday, June 6th, 5pm - 11pm • Saturday, June 7th, 11am - 11pm

"Valley Vineyards Wine & Beer Festival, a Taste of Warren County," to be kicked off at 5pm on June 6th in celebration of 44 years of creating quality Wine and Craft Beer, Valley Vineyards will host their annual Wine and Beer Festival.

This two-day event will provide you with opportunities to enjoy Valley Vineyards craft beer and wines, including the highly-anticipated, picnic perfect berry wines. There will also be delightful dishes prepared by local restaurants, non-stop live music from local musicians, guided cellar tours, hot air balloon rides and, for those inquiring minds, a Libations Education tent.

Over the past years Valley Vineyards has seen the continual expansion of an old tradition. The wine and beer festival of 2013 served over 8,000 guests and that number is expected to be closer to 12,000 for 2014.

A full schedule of events including the artists' line-up can be found at [www.ValleyVineyards.com](http://www.ValleyVineyards.com).

In 2011, Valley Vineyards established Cellar Dweller Brewery. Their unique line of craft beers are enjoyed on site and can now be found around the Cincinnati, Dayton and Columbus areas. New and creative brews are added to the line-up seasonally and for special events.

The festival coincides with the celebration of "Ohio Wine Month" in June, calling attention to the nationally and internationally recognized wines produced from Ohio-grown grapes.

Founded in 1970, by the Schuchter Family in Morrow, Ohio, Valley Vineyards has been family-owned and operated for three generations. Valley Vineyards consistently produces over 20 varieties of wine from their estate-owned vineyards in southern Ohio.

Recent studies have shown that seniors who are live alone are at high risk for malnourishment and for dehydration. "Five days a week, fresh, nutritious meals are cooked in the WCCS 741 Center kitchen. Lunch is a special time of day and we try to make it even more so. Sometimes the WCCS lunch is that person's only full meal of the day. You can find a healthy, delicious meal at the Earl J. Maag Center, 124 Pamela Drive, Morrow, Ohio 45152," says Mary Catherine Faller, MS, RD, LD, Manager of WCCS' Nutrition Services.

Lunch with two menu options is served at 12:00 pm (noon) every Monday-Friday. Find the daily menus online at [www.wccsi.org](http://www.wccsi.org). Suggested meal donation for anyone aged 60 or over (or the spouse or disabled child of someone aged 60 or over) is \$3.00. Meal cost for anyone under age 60 is \$6.00. To make a reservation, simply call the Earl J. Maag Center at 513.889.8886 by 1:00 pm the day before. WCCS is a local non-profit 501(c)(3) organization. Donations help fund the "Promote Healthy Living Among Older Adults" campaign. For more information about WCCS and its services, please visit the website at [www.wccsi.org](http://www.wccsi.org).

### **Volunteers Needed for 2014 United Way of Warren County Campaign**

United Way of Warren County is looking for community volunteers to serve as campaign account managers to help maintain and grow our relationship with Warren County companies who participate in the annual fall campaign.

The organization is hoping to recruit 50 people to help with the campaign. Volunteers give about 8 – 10 hours of their time during a four month period. Typically, each volunteer handles two to three accounts. All volunteers receive full training and are provided all the resources and support necessary for success.

The account managers lend expertise and energy to assist United Way with local businesses and organizations as they launch a 2014 workplace campaign. In addition, the account manager maintains correspondence with a designated contact to make sure the campaign has all necessary materials for an effective campaign.

In the past year, over 100,000 Warren County residents were helped through 53 local programs focused on advancing education, income stability, and health. Campaign account managers are a key to helping make the 2014 campaign a success.

There are two training sessions scheduled from 9:00am to 10:15am on May 29 or June 4, 2014. Account managers only need to attend one.

For more information, please contact Diana Campbell, Campaign Director at [dcampbell@wcuwl.org](mailto:dcampbell@wcuwl.org) or (513) 932-3987 ext. 107.

### **Friends of the Little Miami State Park News**

#### **Temporary Trail Closure**

Beginning today and ending Friday, the Little Miami State Park trail will be closed for the half-mile section between Strout Road (mile marker 25.4) and Senior Road (mile marker 24.9), near Morrow. Dirk Morgan of Morgan's Riverside Campground first noticed the landslide, which occurred April 4, and marked the area with orange cones. The Friends of the Little Miami State Park followed up by erecting barricades and flashing yellow lights. And now, just 39 days later, the Ohio Dept. of Natural Resources (ODNR) and Ohio State Parks have completed an engineering plan and have marshalled the financial, equipment, and human resources to put "boots on the ground," planning to have the trail rerouted by this Friday. This rapid response is further

testimony to the strong partnership that ODNR and the Friends of the Little Miami State Park have forged over the past 5 years.

### **FLMSP Annual Meeting – June 29**

The Friends of the Little Miami State Park has moved its Annual Meeting to June 29, 4:00 in [Hisey Park](#) in Waynesville. There will be no general meeting in May. Please mark your calendar for June 29 and plan on joining us for a fun get-together, picnic, and open meeting at Hisey Park. More details to come next month.

FLMSP is dedicated to the maintenance and improvement of the multipurpose trail and facilities of the Little Miami State Park. We're grateful for your support and dedication to the future of this Ohio State Park. For more information please visit the Friends of the Little Miami State Park website at [littlemiamistatepark.org](http://littlemiamistatepark.org) or [www.flmsp.org](http://www.flmsp.org). We post our meeting dates and upcoming events on our website.

Thank you for your interest in our organization and for your support. If you have any questions, concerns, or comments, please click [here](#) to share them.

### **It's Time to Join or Renew for 2014!**

It's time to join or renew your membership to Friends of the Little Miami State Park for 2014! Did you know:

- We've divided the 50-mile trail into 20 segments and have a Segment Adopter for all but one of those segments
- In addition to the 20 Segment Adopters, over 190 regular volunteers work on the trail
- We're also the beneficiary of volunteers from corporations (e.g. GE, LexisNexis), church groups, school groups, etc.
- Three tool caches provide volunteers with needed equipment and supplies
- Four chainsaw crews handle larger trees and limbs
- Our TrailMail newsletter goes out each month to 1,243 people
- We now provide several rented port-o-lets year round, so facilities are no more than 10 miles apart

We've just completed a very successful Recreational Trails Program (RTP) grant campaign. In just 18 days last October, 211 people pledged over \$37,000 in order to qualify for the 4:1 matching \$150,000 federal grant. On April 4th, we reached our target of \$37,000 in pledge-matching donations.

A contractor has been hired, and work will soon begin on several sections of trail, resurfacing the neediest areas. Work is scheduled to be completed by June 15. You'll also be seeing our volunteers working this summer to fill the smaller cracks.

In addition to long-term capital improvements, the Friends also take on the expense of maintaining this 50-mile long "driveway." Although all the Friends serve as volunteers, we still need funds for tools and tool repair, fuel, safety vests and equipment, magnetic vehicle signs, traffic counters, insurance, port-o-lets, office equipment and supplies, and marketing materials. As a non-profit, all-volunteer organization, we rely on community support to continue our work. We have multiple sources of revenue--donations, memberships, trailside pipe safes, Kroger Community Rewards, EarthShare, and grants--but our primary sources of recurring revenue are Donations and Memberships.

Can we count on you? Joining or renewing your membership for the 2014 season is only \$20 for an individual, \$35 for a family, and easier than ever! You can do it all online via credit card or PayPal. Just click here:

 **DONATE NOW**

Finally, excuse us if we brag a bit. Recently Ohio State Parks wrote of us:

"From the outset, the Friends of Little Miami State Park has been one of our most highly effective volunteer groups with the vision and ambition to get things done. We appreciate your outstanding work on immediate needs, such as resurfacing the trail bridges and cleaning up storm debris, not to mention the ongoing trail maintenance and fundraising projects that you accomplish. Congratulations on your recent recreational trails grant award, and thank you for sharing your time and resources to help us protect and improve this unique asset."

We couldn't do it without you. Thank you! If you have any questions, concerns, or comments, please click [here](#) to share them.

#### **Global Positioning Systems and Geocaching: A Fun Outdoor Activity for School or at Home**

Satellites, ground stations, and receivers are combined to create a Global Positioning System (GPS). NASA created this [web page](#) and this "GPS and the Quest for Pizza" [video](#) to explain how a GPS works. Once your students understand how a GPS works, have them try an activity called "geocaching." With a handheld GPS device/enabled mobile phone and a set of coordinates, students can locate caches in the schoolyard, a local park, or any location you choose. Caches are containers that are camouflaged to blend into their surroundings. Inside, your students may find a logbook to sign, inexpensive trinkets, or possibly more coordinates to the next cache. Geocaching is great way to combine science, physical activity, and the great outdoors.

Here are some geocaching resources to get you started:
