### **Second Annual Morrow Police Department National Night Out Against Crime – August 5**

On Tuesday, August 5, 2014, from 5:00 pm – 7:00 pm, the Morrow Police Department will hold their Second Annual National Night Out Against Crime event. Over 60 people attended last year's inaugural event and enjoyed free hot dogs, soda and water, talked with officers and Village staff, inspected police vehicles, learned about the Morrow Neighborhood Watch Program, and were provided with free literature on a variety of topics. Please plan to join us for an even bigger event. The National Association of Town Watch began the National Night Out program in 1984 as an effort to promote involvement in crime prevention activities, police-community partnerships, neighborhood camaraderie, and send a message to criminals letting them know that neighborhoods are organized and fighting back. National Night Out now involves over 37.8 million people and 16,124 communities from all fifty states, U.S. Territories, Canadian cities, and military bases worldwide. NATW's Executive Director, Matt Peskin said, "It's a wonderful opportunity for communities nationwide to promote police-community partnerships, crime prevention, and neighborhood camaraderie. While the one night is certainly not an answer to crime, drugs and violence, National Night Out represents the kind of spirit, energy and determination to help make neighborhoods a safer place year round. The night celebrates safety and crime prevention successes and works to expand and strengthen programs for the next 364 days."

## **Help the Salem-Morrow Fire Department Protect Your Dreams**

The quicker the Salem-Morrow Fire Department's firefighters or EMT's can locate you, the quicker we can begin helping you and your family. In an effort to locate your home or business in an emergency, the Salem-Morrow Fire Department is providing a 6" x 18" reflective sign that will clearly display your street address. These signs are invaluable to firefighters, EMT's, and police officers, who may be looking for your home in your time of need. Similar signs have been installed in other communities with startling results. The Salem-Morrow Fire Department is selling these signs at the low cost of \$12.00 each.

If you wish to have the SMFD mount your sign for you, they will do so for \$14.00. Each sign has your street address prominently displayed on both sides in highly reflective 3" numbers against a green background similar to those on an interstate sign. The signs are installed in such a way that assures their visibility, even in high grass and snowy weather conditions. If you would like to purchase one of these signs, simply stop by the Salem-Morrow Fire Department, 5270 East U. S. Route 22 & State Route 3, Morrow, Ohio 45152, to complete an order form. In approximately 7 days, your sign will be ready for pickup or installation. Generally, the signs can be made, while you wait, in less than 10 minutes. Isn't \$12.00 worth the peace of mind of knowing that help can find you in your time of need?

## **Join the Village of Morrow in Helping the Little Miami Food Pantry**

Donations may be dropped off at the Little Miami Food Pantry, 4766 Whitacre Drive, Morrow, Ohio 45152. You may also drop off your donation Monday – Friday 8:00 am – 4:30 pm at the Morrow Municipal Building, 150 East Pike Street, Morrow, Ohio 45152. ### United Way of Warren County News

#### **United Way of Warren County Book Drive Collects Over 5,000 Books**

United Way of Warren County recently wrapped up the 2014 Children’s Book Drive. The organization collected over 5,000 books thanks to the generosity of local businesses, schools and community individuals. Food pantries funded by United Way of Warren County will be distributing the books in each Warren County community to at-risk children.

Aaron Reid, Executive Director, said, “The purpose of the book drive was to help at-risk children not lose reading skills over the summer by providing them books to read at home. It was wonderful to see the look of joy on the children’s faces as we delivered the books to the food pantries and they were able to pick out several books to take home with them for the summer.”

United Way of Warren County is a local, independent nonprofit serving all of Warren County. The organization’s mission is to improve lives by connecting people, organizations and resources to meet the needs of the community. United Way of Warren County currently supports 53 different non-profit programs advancing education, income and health. ### **FLMSP Annual Meeting & Picnic - June 29th, 4PM until 6PM at Hisey Park**

This year we have a lot to celebrate, including the trail's first major maintenance improvements for many years. It is hard to believe that the FLMSP's first meeting was only 5 years ago, and I am extremely happy to see that our organization is maturing. We now have valuable feedback from trail users, a comprehensive strategic plan that could guide us for many years, and an organizational structure that will continue to grow. Our partnership with the Ohio Department of Natural Resources (ODNR) has continued to improve every year, and their achievements merit recognition from us all. During the annual meeting, we will be holding elections for various board positions; watch for a separate email with details. A picnic meal and drinks will be provided, so it is important that we know if you'll be attending. Please respond by clicking the link below.

[Get more information](#)

[Register Now!](#)

[I can't make it](#)

We encourage you to bring up to 6 guests, and you can forward this email to as many interested people or organizations as you wish. We'll be meeting regardless of the weather; the park has a large covered area in case of rain. Please come, meet and socialize with our members, committee members, ODNR officials, and other Little Miami Scenic Trail lovers.

### **Annual Meeting Agenda & Elections**

At our annual meeting on **Sunday, June 29**, the Friends' Board will present its new strategic plan, vote on adding new Board positions, and hold elections. Please look over this agenda for the meeting and contact President Steve Murphy with any questions.

### **New Mission Statement**

"Our mission is to create a rewarding user experience on the Little Miami State Park trail by improving its safety, condition, convenience, and beauty in a manner consistent with its natural river setting."

As a direct result of this new Mission Statement, each Board member is responsible for providing "executional leadership" for a specific Strategic Plan goal (see below).

#### Strategic Plan Goals

Organization	President
Trail Convenience	Simeon Copple, Vice President
Funding	Mike Dresch, Treasurer
Trail Beauty/Aesthetics	Maxine Fischer, Secretary

Trail Condition	Aaron Rourke
Outreach	Paul Morgan
Trail Safety	Don Mills
Recruitment	Open
Recognition	Open
Governance	Open
TBD	Open

### Voting

Those in attendance at the June 29 Annual Meeting will be asked to vote on the following two matters:

1. Board Expansion. I'm recommending that we increase the number of Board positions to 11 (from 9) to allow for more executional leadership opportunities in support of our Strategic Plan.
2. Board Elections. Assuming the vote on Board Expansion is in the affirmative, those in attendance will be voting on the following:

<u>Leadership Position</u>	<u>Term Expires</u>	<u>Nominations</u>
President	2016	Steve Murphy
Recruitment	2016	
Recognition	2016	
Governance	2016	
To Be Determined	2016	

The responsibilities of Board members are two:

1. Attend 8 Board meetings per year, i.e. February through June and September through November. These monthly meetings are held on the 4th Sunday of the month from 4-6PM. It is our belief that as Board members take on their new "executional leadership" roles, we will be able to reduce the number of meetings even further.
2. Take on an "executional leadership" role, of which there are 3 in this election cycle:
  - a) Recruitment. Our ultimate success depends on our ability to recruit, e.g. Trail Mail recipients, volunteers, members, donors, businesses, etc. We're looking for someone to take on this responsibility, start with a clean sheet of paper, and define this role in more detail.
  - b) Recognition. We currently have over 200 trail volunteers. If our goal is to provide the best volunteer opportunity in the region, in addition to recruiting, we must strive to be the best at recognizing our volunteers. We're looking for someone to take on this responsibility, start with a clean sheet of paper, and define this role in more detail.
  - c) Governance. This role is one of making sure we a) operate according to our bylaws, b) operate in accordance with State and Federal regulations and guidelines, and c) have a succession plan for our Board, i.e. vetted potential Board candidates. We're looking for someone to take on this responsibility, start with a clean sheet of paper, and define this role in more detail.

If you or someone you know has an interest in any of the 5 aforementioned Board openings or would just like more information, please send an email to [president@flmsp.org](mailto:president@flmsp.org) expressing interest, and I'll add your name to the list of nominations. I'm hoping the opportunity to define your own role within FLMSF will appeal to you who are self-starters.

### **What Are the Top Five Disaster Risks to Small Businesses?**

#### *Preparedness Tips to be Shared at Free Webinar Hosted by SBA and Agility Recovery*

Two major challenges small business owners face after disasters are sales losses and a diminished customer base. In a survey of 7,500 small and medium sized businesses done by the National Federation of Independent Businesses (NFIB), 62% said losing profits and clients was their biggest post-disaster challenge. Whether it's a fire, flood or tornado, small businesses face an uphill trek when it comes to rebuilding in the aftermath of a disaster. That's why it's important to have a recovery plan in place. Assessing your company's risks is one of the first steps in creating an effective business continuity plan. Join Agility Recovery and the U.S. Small Business Administration on **Tuesday, July 8, 2014**, for an online discussion on how to protect your business before a disaster strikes. SBA has partnered with Agility to offer business continuity strategies at its "PrepareMyBusiness" website. Visit [www.preparemybusiness.org](http://www.preparemybusiness.org) to download disaster planning tip sheets and to view archived webinars. ## What Kind of Tax Are You Talking About? A quick look at the various layers of taxes...

There is more to the federal income tax system than just a single calculation. Upper-income taxpayers---especially those with investment income---must cope with six layers of taxation: (1) ordinary income tax; (2) capital gains and losses; (3) the alternative minimum tax; (4) the net investment income tax; (5) the additional Medicare tax; and (6) a reduction of itemized deductions and personal exemptions.

We have looked into the details of these various layers of taxes in prior Tax Tips of the Week. Today is a quick summary of these multiple layers on one page:

1. **Ordinary Income Tax.** This is the standard layer of tax most taxpayers are familiar with. Income is taxed using seven tax brackets: 10%; 15%; 25%; 28%; 33%; 35%; and 39.6%. Tax deductions and credits can be used to offset your tax liability based on these ordinary rates, but certain rules may apply (see #6).
2. **Capital Gains and Losses.** The tax law provides a separate tax treatment for capital assets such as securities, mutual funds and real estate. During the year, gains and losses from the sale of such assets can offset each other. Long-term gains from assets held over one year may qualify for a 0% tax rate; a 15% tax rate; or a 20% tax rate depending on your ordinary income tax bracket. Qualified dividends also benefit from these preferential tax rates.
3. **Alternative Minimum Tax.** The alternative minimum tax (AMT) runs parallel to the ordinary income

tax. The AMT rules apply a complex calculation which involves certain additions and adjustments before subtracting an exemption amount based on your tax filing status. There are just two brackets---26% and 28%---for taxpayers with AMT liability. At tax time, you compare your ordinary income tax result to the AMT result and pay the higher of the two liabilities.

4. Net Investment Income Tax. The “net investment income tax” (NII) is a new tax that started when you filed your 2013 tax return. Please see [TTW # 237](#) for a detailed explanation of this tax. In summary, it is a 3.8% Medicare surtax on the investment income of those with adjusted gross incomes over \$200,000 for single filers and \$250,000 for joint filers.

5. Additional Medicare Tax. This new tax also first appeared on your 2013 tax return. Please see [TTW # 238](#) for a detailed explanation of this tax. In summary, it is a 0.9% tax on the earnings of those making over \$200,000 for single filers and \$250,000 for joint filers.

This means that the top tax rate could be as high as 44.3%! ( $39.6 + 3.8 + 0.9 = 44.3$ )

6. Reduction of Itemized Deductions and Personal Exemptions. These two tax law provisions were reinstated in 2013 after a long hiatus. Under these “Pease Rules” (named for the congressman who originated it), certain itemized deductions, including those for charitable donations, state income tax, and mortgage interest are reduced if your AGI exceeds the annual threshold. For 2014, the threshold is \$254,200 for single filers and \$305,050 for joint filers. Your itemized deductions will be reduced by 3% of the amount above the threshold, but not more than 80% overall.

A similar rule phases out the tax benefit of personal exemptions. For 2014, the \$3,950 personal exemption will be reduced by 2% for each \$2,500 of your AGI that exceeds the threshold level.

Keep these rules in mind as you make financial and tax planning decisions throughout the year.
