Second Annual Morrow Police Department National Night Out Against Crime – August 5

On Tuesday, August 5, 2014, from 5:00 pm – 7:00 pm, the Morrow Police Department will hold their Second Annual National Night Out Against Crime event. Over 60 people attended last year's inaugural event and enjoyed free hot dogs, soda and water, talked with officers and Village staff, inspected police vehicles, learned about the Morrow Neighborhood Watch Program, and were provided with free literature on a variety of topics. Please plan to join us for an even bigger event. The National Association of Town Watch began the National Night Out program in 1984 as an effort to promote involvement in crime prevention activities, police-community partnerships, neighborhood camaraderie, and send a message to criminals letting them know that neighborhoods are organized and fighting back. National Night Out now involves over 37.8 million people and 16,124 communities from all fifty states, U.S. Territories, Canadian cities, and military bases worldwide. NATW's Executive Director, Matt Peskin said, "It's a wonderful opportunity for communities nationwide to promote police-community partnerships, crime prevention, and neighborhood camaraderie. While the one night is certainly not an answer to crime, drugs and violence, National Night Out represents the kind of spirit, energy and determination to help make neighborhoods a safer place year round. The night celebrates safety and crime prevention successes and works to expand and strengthen programs for the next 364 days."

Help the Salem-Morrow Fire Department Protect Your Dreams

The quicker the Salem-Morrow Fire Department's firefighters or EMT's can locate you, the quicker we can begin helping you and your family. In an effort to locate your home or business in an emergency, the Salem-Morrow Fire Department is providing a 6" x 18" reflective sign that will clearly display your street address. These signs are invaluable to firefighters, EMT's, and police officers, who may be looking for your home in your time of need. Similar signs have been installed in other communities with startling results. The Salem-Morrow Fire Department is selling these signs at the low cost of \$12.00 each. If you wish to have the SMFD mount your sign for you, they will do so for \$14.00. Each sign has your street address prominently displayed on both sides in highly reflective 3" numbers against a green background similar to those on an interstate sign. The signs are installed in such a way that assures their visibility, even in high grass and snowy weather conditions. If you would like to purchase one of these signs, simply stop by the Salem-Morrow Fire Department, 5270 East U. S. Route 22 & State Route 3, Morrow, Ohio 45152, to complete an order form. In approximately 7 days, your sign will be ready for pickup or installation. Generally, the signs can be made, while you wait, in less than 10 minutes. Isn't \$12.00 worth the peace of mind of knowing that help can find you in your time of need?

Quaker Heritage Center News

New Exhibit to Open at the Quaker Heritage Center – July 28–December 12

100 years ago, one of the Earth's most deadly conflicts began: World War I. By the end of "The War to End All Wars," over 37 million people were dead, wounded, or listed missing. "It's a story that we tend to forget," said Ruth Brindle, Curator of the Quaker Heritage Center. "World War I is often overshadowed by World War II, particularly here in the United States, where the war's impact wasn't felt as acutely as it was in Europe. That's why we felt this exhibit - *The Pity of War: Words and Images of World War I* - is necessary."

The exhibit, which **opens on July 28 and will be on display through December 12**, opens with a brief overview of the chronology of the war itself, then delves into the stories of those who lived through those events as soldiers, civilians, and Conscientious Objectors. "Using the words of these individuals, and highlighting those stories with images from the period, really brings the experience home on a personal level," Brindle noted. Of particular interest to the mission of the Quaker Heritage Center is the inclusion of stories of individual Quakers who registered as Conscientious Objectors or volunteered for relief work in war-torn Europe. That particular interest is why Stephen Angell, Geraldine Leatherock Professor of Quaker Studies at Earlham School of Religion, will be the guest lecturer at the exhibit opening. His talk, "A. Neave Brayshaw and the Re-Invigoration of the Quaker Peace Testimony During World War I," will explore the way the Religious Society of Friends (Quakers) responded to the War.

The exhibit will be on display at the Quaker Heritage Center of Wilmington College from July 28 through December 12, 2014. The Center is open Monday through Friday, 9 a.m. to 4 p.m., and the last Saturday of each month, 12 noon to 5 p.m. Other special programming is planned for September and November.

Contact Ruth M. Brindle, Curator, or visit www.wilmington.edu/qhc for more information on the exhibit and a full calendar of events.

Early Filers Regret Social Security Claiming Decisions

Survey shows many retirees wish they had waited to begin taking benefits

Nearly 40% of retirees who claimed Social Security benefits before full retirement age now regret their decision, according to a new survey.

Retirees can claim Social Security benefits as early as 62, but their benefits are permanently reduced by 25% compared to waiting until their full retirement age of 66 (if born prior to 1954) to begin benefits. Those who are willing to wait even longer earn delayed retirement credits worth 8% per year for every year they postpone benefits up to 70, increasing their benefits by an additional 32%.

A Nationwide Financial Retirement Institute survey released reveals that 38% of retirees say they wish they would have waited to collect Social Security benefits, resulting in a larger monthly payment.

When and how to claim Social Security is one of the most important financial decisions retirees make in their lifetimes. Optimizing Social Security benefits is an important part of a holistic retirement plan.

Those who don't take steps to maximize their benefits may be missing out on thousands of dollars per year in additional income. For a married couple, the right Social Security claiming decision can increase their lifetime benefits by \$100,000 or more.

Deciding when to start receiving Social Security benefits is just one of many decisions pending retirees need to make. We invite you to call us for a review of your retirement plans.
