## Village of Morrow News

### **Morrow Police Officer Jeffrey Manning Phegley - End of Watch: Wednesday, January 21, 1987**

Morrow Police Officer Jeffrey Manning Phegley was shot and killed while conducting a traffic stop. As he attempted to arrest the driver for DUI, the driver pushed him to the ground and shot him with a sawed off shotgun. His killer was convicted of murder and sentenced to 15 years to life. He was denied parole in 2000, 2006 and 2010. Officer Phegley, age 22, had served with the Morrow Police Department for only six months. He is survived by his parents, Joe & Barbara Phegley, and one brother. For more information, please visit the Officer Down Memorial Page at <http://www.odmp.org/officer/10613-police-officer-jeffrey-manning-phegley#ixzz2rGZ0tHhv>.

### **Village of Morrow Seeking New Fiscal Officer**

Incumbent Retiring May 31, 2015

The Village of Morrow is accepting applications for the full-time position of Fiscal Officer. The Fiscal Officer, an FLSA exempt position reporting directly to the Mayor, performs a variety of accounting, financial reporting and cash management functions, as well as procurement, benefits administration, payroll and overall financial management of the Village in accordance with Ohio Revised Code § 733.262. The Fiscal Officer provides a variety of reports to the Mayor, Councils and staff to ensure that the Village and each department operate within their respective budgets. The Fiscal Officer explores financial opportunities to save the Village money and grow the public treasury, while advising the Mayor, Council and staff on ways to improve the Village's overall financial status. The Fiscal Officer works the Mayor and staff to present an annual Tax Budget and an annual Operating Budget and other duties as assigned. The successful candidate will serve as Deputy Fiscal Officer until the incumbent's retirement on, or before, May 31, 2015, at which time, he or she will assume the role of Fiscal Officer.

Minimum qualifications: Must possess a Bachelor's Degree from an accredited four-year college or university in Business, Finance, Accounting, Public Administration, or a closely related field. A Master's Degree in either Business or Public Administration is preferred, as is a Certified Public Accountant (CPA) or Certified Government Finance Officer (CGFO). While experience in public finance is not mandatory, an understanding of basic financial and accounting principles along with a firm grasp of computer and basic software operations is required. An equivalent combination of education and experience which provides the skills and abilities necessary to perform the job will be considered. The position requires a valid state of Ohio driver's license. Salary is negotiable and dependent upon qualifications.

Application Process: Applications and a full job description are available at the Morrow Municipal Building, 150 East Pike Street, Morrow, Ohio 45152 and on the Village of Morrow website at

<http://www.vil.morrow.oh.us/departments/human-resources/employment-opportunities/>. Please return your completed Village of Morrow employment application, cover letter, resume and three (3) professional references to Office of the Mayor, Village of Morrow, 150 East Pike Street, Morrow, Ohio 45152, Attention: Fiscal Officer Search. Application materials may also be submitted electronically to [mike.erwin@vil.morrow.oh.us](mailto:mike.erwin@vil.morrow.oh.us). This position will remain open until filled.

The Village of Morrow is an Equal Employment Opportunity employer and a Drug-Free Workplace.

### **Morrow Welcomes Two New Businesses**

Please welcome two new businesses to the Village of Morrow, *I Heart Zing studio & Design Gallery* and *The Place on Main*.

*I Heart Zing Studio & Design Gallery*, 101 West Pike Street, Morrow, Ohio 45152

A few words from the owner: "I am a Morrow resident and have been making handcrafted jewelry and accessory items for friends and family for many years. Over the past 5 years I have been designing and selling my creations online and at local craft fairs. I have outgrown my home studio and my husband and I have made a leap of faith into the Village of Morrow. The I Heart Zing Studio & Design Gallery is located at 101 West Pike Street, Morrow, Ohio 45152. My design studio is at this location. Also, I will be hosting private jewelry parties and special events. In addition, we will have seasonal public retail hours. In our public retail area you will find a large selection of necklaces, bracelets, earrings, Christmas themed jewelry, hair bows, floral hair clips, stock show "bling" jewelry, Christmas ornaments, hardwood wine stoppers, wine bottle charms, and fleece spirit scarves in a variety of unique colors and styles. Each piece in my shop was designed and crafted by hand. Each style is limited or single quantity so you are sure to find something you've never seen before. I also do custom jewelry orders to match a specific need, dress or event. We will begin scheduling private jewelry parties in 2015. Hostess will be able to earn free product just by having a great time with her girlfriends at the I Heart Zing Design Gallery! For more information on I Heart Zing, LLC you can check out [www.iheartzing.com](http://www.iheartzing.com) and [www.shop.iheartzing.com](http://www.shop.iheartzing.com). Be sure to watch for our official grand opening event in 2015."

*The Place on Main*, 101 Main Street, Morrow, Ohio 45152

*The Place on Main* has a wide variety of goods for sale, including: soaps, soy candles, lip balms, locally produced maple syrup, primitives, and vintage items. Inventory will be constantly changing! Come check us out and like us on Facebook at [https://www.facebook.com/pages/The-PLACE-on-MAIN/688555841262742?ref=br\\_tf](https://www.facebook.com/pages/The-PLACE-on-MAIN/688555841262742?ref=br_tf).

- Wednesday, **February 11, 2015**, at 6:00 pm
- Saturday, **May 16, 2015**, at 9:00 am
- Wednesday, **August 19, 2015**, at 6:00 pm
- Saturday, **November 7, 2015**, at 9:00 am

We are also more than happy to set up private classes for groups of 4 or more people upon request. Dates and times of those classes are subject to instructor availability. CPR classes consist of 3-4 hours of classroom time and the cost is \$35.00 per person. All classes will be held at the Salem/Morrow Fire Department, 5270 East U. S. Route 22 & State Route 3, Morrow, Ohio 45152. To enroll in a class please contact the Salem/Morrow Fire Department at 513.899.2222.

### **Free Blood Pressure Checks at the Salem-Morrow Fire Department**

The Salem/Morrow Fire department staffs a member of the department at the fire station at all times. Anybody is welcome to stop by for a free blood pressure check or for any health concern. That's what we are here for. If you feel you are having a medical emergency please call 9-1-1 and we will come to you.

### **Smoke Detectors**

The Salem/Morrow Fire department offers smoke detectors to the community it serves. Please contact the station for more details at 513.899.2222.

## **Salem/Morrow Fire Department Cadet Program**

The Salem/Morrow Fire Department Cadets is a youth oriented program directed at helping young adults who have an interest in the field of firefighting and Emergency Medical Services, as well as, to assist the Salem/Morrow Fire Department when able.

The program meets on the 1st (first) Monday of the month at the fire station at 1800 hrs. Cadets are required to participate in the department's fire training, held the 2nd (second) Monday of each month at 1830 hrs. Cadets are taught the basic skills of firefighting and first aid. Much of the training is hands-on and is supervised by Fire Department personnel. Meetings also include public service projects and fund raising activities.

Cadets are allowed to respond with the department to any "station response", provided that he/she is not serving any type of suspension – school or program. During the school year, cadets are permitted to make runs from the time that school is dismissed for the day until 9:30pm, only if school assignments are complete or at the discretion of parents/guardians. If cadets are on a response close to the 9:30pm cut-off, every attempt will be made to return them to the station to meet their parents/guardians or to take them home. During school vacations/breaks, cadets are allowed to run around the clock, but only at the discretion of his/her parent/guardian.

Cadets will learn how hard work, discipline, and a structured work environment in the fire service promote safety and teamwork toward successfully completing a common objective. All members shall be trained and certified in Basic First Aid and C.P.R. Cadets will also gain a sense of pride in serving the community. Parents will witness the positive outcome by having their child enroll in this growing program.

The Cadets are always in search of energetic young men and women who are eager to learn more about the fire service. Any student between the ages of 14 and 18 years of age with a grade point average of 1.0 or greater is eligible to apply.

Anyone interested in becoming a cadet contact:

## **Help the Salem-Morrow Fire Department Protect Your Dreams**

The quicker the Salem-Morrow Fire Department's firefighters or EMT's can locate you, the quicker we can begin helping you and your family. In an effort to locate your home or business in an emergency, the Salem-Morrow Fire Department is providing a 6" x 18" reflective sign that will clearly display your street address. These signs are invaluable to firefighters, EMT's, and police officers, who may be looking for your home in your time of need. Similar signs have been installed in other communities with startling results. The Salem-Morrow Fire Department is selling these signs at the low cost of \$12.00 each. If you wish to have the SMFD mount your sign for you, they will do so for \$14.00. Each sign has your street address prominently displayed on both sides in highly reflective 3" numbers against a green background similar to those on an interstate sign. The signs are installed in such a way that assures their visibility, even in high grass and snowy weather conditions. If you would like to purchase one of these signs, simply stop by the Salem-Morrow Fire

Department, 5270 East U. S. Route 22 & State Route 3, Morrow, Ohio 45152, to complete an order form. In approximately 7 days, your sign will be ready for pickup or installation. Generally, the signs can be made, while you wait, in less than 10 minutes. Isn't \$12.00 worth the peace of mind of knowing that help can find you in your time of need?

### **KNOX-BOX® Rapid Entry System**

The KNOX-BOX® Rapid Entry System was specifically developed for the fire department. With one master key, you can gain access to commercial and residential property. More than 7,000 departments nationwide use Knox key boxes, vaults, Haz-Mat cabinets, key switches, locking FDC caps, padlocks and the Knox-Scan heat sensor.

Many of these departments use Sentralok(tm), the master key security system, to control the Knox Master Key®. Property owners in your community store entrance keys, access cards and floor plans in high-security Knox-Boxes mounted near their building entrances.

### **Commercial Properties**

Each KNOX-BOX® purchased by the property owner is keyed to a single master key controlled by your department. With the Knox System, there is no cost to the fire department, no waiting for a property owner to unlock the door in the middle of the night, and no forcing the door open to gain entry. The Knox Rapid Entry System reduces response time, property damage and the liability for lost keys. The Salem-Morrow Fire Department is currently using the Knox System on several properties in the area.

### **Residential KNOX-BOX® Program**

The Salem / Morrow Fire Department has started a Residential Knox Box Program to help us help you. What is Knox Box? It's a heavy duty box that we hang on your door that has your home key in it. We have a Master key that we use to open the box in an emergency situation so we can make access to your home and let use help you.

The reason we started the program is to help us make entry to our citizens without causing damage to their property. We receive calls to residents homes and when we get there we are unable to make access do to the house is locked up tight. We end up breaking into the house to help with their emergency and then they have an extra expense fixing what we had to break. Residents stop by and offer us keys so we do not have to break in. That would be a lot of keys for us to have and maintain. This would cause more of a hindrance then help. This program is for residents that have chronic medical problems, elderly folks that live alone, persons with disabilities that would make it hard for them to let us in, and that live in our protection area. If you are not sure if you qualify, contact Chief LaFollette or Assistant Chief Harrison. This is a free service provided to our residents for as long as they need it.

This program was started by donations to the fire department. We have purchased 6 Knox Boxes and Key Secure Systems. The Key Secure Systems secures the key to the vehicle and tracks who uses it. This gives us an accountability system on the use of the key. Supplies are limited.

### **Get Your Car Seat Safety Inspection at the Salem-Morrow Fire Department**

Did you know these Child Passenger Safety Facts (from [www.safekids.org](http://www.safekids.org))?

- Motor vehicle crashes are the leading cause of death among children ages 3 to 14.
- Correctly used child safety seats are extremely effective and reduce the risk of death as much as 71%.
- Nearly 73% of child restraints are not installed or used correctly.
- Nearly half of kids 14 and under who died in crashes were completely unrestrained.

You can come to the Salem-Morrow Fire Department for car seat checks which are conducted by National Child Passenger Safety Board certified technicians. Appointments can be made by calling Salem Morrow Fire Department at 513-899-2222 or emailing [jzwerling@station71.com](mailto:jzwerling@station71.com). Please allow approximately 30-45 minutes per car seat. When you come in for a car seat check please have the following:

- The car seat (not in the box if new)
- The car seat instructions
- The vehicle owner's manual

All parents/caregivers and any children riding in the car should try to be at the appointment.

### **Little Miami Athletic Boosters Creating New Panther Athletic Center**

The Boosters are transforming the old Industrial Arts room into a PAC. Yes, we will have a PAC at LM. Panther Athletic Center will offer state of the art training to all of our Panther Athletes. It is going to be the difference between being competitive and becoming dominant. Join the team and help us raise the funds to

support the teams. We really need help spreading the word throughout the community. Contact any of the Booster team to see where you can plug in. Let's build something that we all can be proud of.

### **Call to Arms for All Boosters**

Little Miami School District is one of the fastest-growing areas in southwest Ohio. Our community is primarily rural, covering 98 square miles of mostly farmland. The economic upswing in recent years has brought new development into our area, and we now have our largest enrollment ever.

The education our school district provides continues to be rated excellent by the state of Ohio. We are proud of this accomplishment and feel this helps make our community attractive for potential homebuyers.

The LMABC currently supports over 850 athletes in grades 7-12. Our plan is simple: to bring our sporting teams up to the level of our education. It is with this spirit that we come to you seeking aid for our student-athletes.

One of the problems our athletes face is an inadequate training facility. Our current weight room is 900 square feet and can't house more than 15 kids at a time. The school board has given the Boosters the opportunity to transform the former Industrial Arts room (3,600 square feet) into a training facility, but the Boosters must pay 100% of the costs. With several initiatives going forward, this state-of-the-art training facility is by far our largest, with an estimated cost of \$175,000. We are now beginning a fund drive to accomplish this goal.

There is opportunity in the corporate world for us to raise money. There are a few organizations who might match funds with us for the advancement of sports. The Cincinnati Bengals, for example, recently announced a matching grant for \$150,000 to Harrison High School for the installation of a new turf field. The Bengals have done this for numerous schools, but seemingly always for the installation of a turf field, and always in a matching-grant scenario. We have feelers out with them as well as many other corporations in the Cincinnati area. We are trying to reach out to any businesses that can help us advance our athletic facilities.

These opportunities are exciting and yet unsure. The bottom line is that we have to have a plan in place to assure that this training center comes to fruition. That is where we must begin: with you! We need our alumni base, parents of student-athletes, parents of non-student athletes, parents of past student-athletes, local businesses, and companies you work for or with. In other words, we need to pull from every aspect of our lives.

The average citizen, who does not have a student-athlete or care much for sports, may ask how athletics would affect his/her life. A National Center for Education Statistics study shows that children who participate in extracurricular activities will have a higher GPA, have a higher percentage of post-secondary education, have a healthier lifestyle (by percentage of non-smokers and non-binge drinkers), earn a higher average income, and tend to stay in (or return to) the school district they grew up in. This makes our school district more desirable to live in, and thus raises our property values and provides us with a greater customer base for our local businesses. We truly are all in this together.

It would be easy to say that if everyone in the school district would donate \$100 then we would probably exceed our goals. Honestly, the reach is not far from that. If our local businesses could partner with us in exchange for advertising, we would encourage everyone to give those businesses a better consideration.

If the loss of one outstanding young man this year taught us anything, it's that we are truly a community that

cares. It is with that sense of closeness that I ask you kindly to support the initiative before us. Let us build something we all can be proud of.

The Green & Gold Committee is the point of contact for this fund drive. You may call 513.476.8610 or email us at [lmgreenandgold@gmail.com](mailto:lmgreenandgold@gmail.com). A member of our team will contact you.

#### **Enjoy a Healthy Lunch at the Earl J. Maag Center**

Are you tired of always eating alone? Is cooking becoming too much work? Are you looking for somewhere else to eat? Would you like to meet new friends and enjoy stimulating conversation? Are you finding it hard to make ends meet? If you answered "Yes" to any of these questions, then you may not be living as healthy as you can. Recent studies have shown that seniors who are live alone are at high risk for malnourishment and for dehydration. "Five days a week, fresh, nutritious meals are cooked in the WCCS 741 Center kitchen. Lunch is a special time of day and we try to make it even more so. Sometimes the WCCS lunch is that person's

only full meal of the day. You can find a healthy, delicious meal at the Earl J. Maag Center, 124 Pamela Drive, Morrow, Ohio 45152," says Mary Catherine Faller, MS, RD, LD, Manager of WCCS' Nutrition Services. Lunch with two menu options is served at 12:00 pm (noon) every Monday-Friday. Find the daily menus online at [www.wccsi.org](http://www.wccsi.org). Suggested meal donation for anyone aged 60 or over (or the spouse or disabled child of someone aged 60 or over) is \$3.00. Meal cost for anyone under age 60 is \$6.00. To make a reservation, simply call the Earl J. Maag Center at 513.889.8886 by 1:00 pm the day before. WCCS is a local non-profit 501(c)(3) organization. Donations help fund the "Promote Healthy Living Among Older Adults" campaign. For more information about WCCS and its services, please visit the website at [www.wccsi.org](http://www.wccsi.org).

### **United Way of Warren County 2014 "Elf to the Elderly" Drive Delivered Smiles to Many**

United Way of Warren County wrapped up its 2014 "Elf to the Elderly" Drive. In total, 2,718 items of personal care, entertainment and food items were collected. These items were then packed into 102 plentiful gift bags. In addition to the gift bags, bags of candy, snack foods and over 800 holiday cards were delivered to the Meals on Wheels clients in Warren County. The holiday cards were handmade by 13 girls from the Mason Stars and students from the Kings Local School District.

Donations for the United Way of Warren County "Elf to the Elderly" Drive were received from area businesses and residents.

Jerri Langworthy, Community Impact Director, United Way of Warren County, said, "The seniors benefitting receiving these gift bags often are alone and have very little for the holidays. It is heartwarming to know that these gift bags and cards provided a smile to many in Warren County this holiday season."

Karen Hill, LSW,MS, Aging Services Director with Warren County Community Services, said, "Thanks to all of you for your efforts on behalf of our Meals on Wheels clients. Several clients cried that they were remembered by people they didn't even know and several said this was the ONLY Christmas gift they would get."

## **Warren County Chamber Alliance News**

### **Incumbent Training for Advanced Manufacturing Now Available**

In response to workforce needs being expressed by the private sector, our office created WIIN; a program that bundles like-minded training needs within Warren County businesses. Once bundled, WIIN interfaces with area educational partners to secure the best curriculum and rate to meet training needs.

WIIN's first training offering involves businesses in the manufacturing space, and classes are currently underway. Enrollment is on-going and once the appropriate number of employees are gathered, training modules can begin.

### **Flexible Training**

The training program will cover 16 needed skills that have been expressed by the private sector. These skills cover a broad range of electric and mechanical needs from programming to blueprint reading.

To allow maximum flexibility, each skill is taught in a separate module, and can be taken individually or in combination with other training. For specific details of each module, and to participate, please [e-mail](mailto:) Matt Schnipke.

### **Partnering Organizations**

This effort would not be possible without collaboration from multiple sources including the Warren County Small Business Development Alliance, the Warren County Chamber Alliance, and the Warren County Port Authority. With the help of these participating organizations, WIIN hopes to deliver a quality training opportunity at a reduced cost to employers.

#### **IRS Revises Standard Mileage Rates for 2015**

These rates started January 1, 2015

The IRS has increased the standard mileage rate for business purposes, but lowered the rate for medical or moving purposes.

- Mileage rate for business purposes will be 57.5 cents/mile, up from 56 cents in 2014
- Medical and moving rates will be 23 cents/mile, down half a cent from 2014
- Charitable rate will remain unchanged at 14 cents/mile (Note: Congress sets the charitable rate and it has remained unchanged for many years)

With today's decreasing gas prices, we wouldn't be surprised if the IRS makes a mid-year correction as they have done in prior years.

We'll keep you posted.

## **EPA Announces New Energy Star Tool for Homeowners to Save Money, Energy This Winter**

The U. S. Environmental Protection Agency (EPA) is launching its Energy Star Home Advisor, an online tool designed to help Americans save money and energy by improving the energy efficiency of their homes through recommended, customized and prioritized home-improvement projects.

“As we enter the winter months, homeowners can use our new Energy Star Home Advisor to increase energy efficiency and save money while reducing greenhouse gas emissions that fuel climate change,” said EPA Administrator Gina McCarthy. “When homeowners take advantage of this important tool and increase the energy efficiency of their homes, many families will notice savings on energy bills and improvements in the comfort of their homes.”

The updated Energy Star Home Advisor guides the homeowner through a “do-it-yourself” energy assessment to create an Energy Star home profile. Based on the newly created profile, the Home Advisor provides customized, prioritized recommendations for improvements. From these recommendations, users can create their own to-do lists of projects such as adding insulation to the attic or replacing an HVAC air filter.

Over time, users can update their home profiles as they make improvements, see the positive environmental impacts of the changes they’ve made, get additional recommendations, and update their “to-do” lists for future projects. The home profiles can also be printed and used at the time of sale.

The announcement is part of EPA’s Energy Efficiency Action Week, during which EPA regional offices across the country will hold events to increase awareness about the energy and cost savings associated with energy efficiency upgrades, especially in the winter months. More on EPA’s Energy Star Home Advisor: [www.energystar.gov/homeadvisor](http://www.energystar.gov/homeadvisor).

Homeowners can also use the following Energy Star tips to save energy and money at home this winter:

Get a Home Energy Audit - Home energy auditors are trained and certified in how to find energy problems using specialized equipment to pinpoint key areas for improvement and provide customized recommended solutions. In select states, [Home Performance with Energy Star](#) offers an energy assessment that focuses on a systematic approach to improving energy efficiency and comfort.

Seal and Insulate - The average home spends \$2,000 on utility bills each year. Heating and cooling costs account for nearly half of that amount. Energy Star estimates that homeowners can save up to 10 percent on heating and cooling costs by sealing air leaks and adding insulation. Learn more through Energy Star’s “Rule Your Attic!” campaign, which encourages homeowners to measure their attic insulation levels as a first step toward making their homes more energy efficient and comfortable. More: [www.energystar.gov/ruleyourattic](http://www.energystar.gov/ruleyourattic).

Heat Efficiently – Energy Star recommends that homeowners check their HVAC system air filters every month. A dirty filter will slow air flow and make the system work harder – wasting energy and possibly shortening the life of the system. A good rule to follow is change the filter every three months. Energy Star also recommends that homeowners have HVAC systems serviced annually by a licensed contractor to ensure they’re running at optimum efficiency. If the heating system is over 15 years old, consider planning for its replacement with a high efficiency unit. Today’s Energy Star certified condensing furnaces operate at over 90 percent efficiency. Depending on where one lives, replacing old heating and cooling equipment with newly certified Energy Star equipment can cut annual energy bills by more than \$115.

More: [www.energystar.gov/heating](http://www.energystar.gov/heating).

Use a Programmable Thermostat – Avoid heating the house when not necessary, and save almost \$200 a year. Programming the thermostat to turn the temperature down 8 degrees for 7 hours each night and an additional 7 hours each weekday could result in a seasonal heating savings of approximately 12 percent. More: [www.energystar.gov/pts](http://www.energystar.gov/pts).

Make “Bright” Choices For Lighting -To get the energy efficiency and performance expected, look for the Energy Star label. LED bulbs that earn the label are independently certified to ensure they deliver on brightness and color and shine light where it’s needed. More: [www.energystar.gov/led](http://www.energystar.gov/led).

Decorate for the Holidays with Energy Star Light Strings - Energy Star certified light strings use 50 percent less electricity than incandescent light strings and are available in a variety of colors, shapes and lengths. They are more durable, shock-resistant and cooler to the touch. Some models deliver features such as dimming or color shifting. More: [www.energystar.gov/dls](http://www.energystar.gov/dls).

Choose Energy Star Certified Electronics - A home equipped with TVs, set-top boxes, a Blu-Ray player, and a home theatre in a box that have all earned the Energy Star can save more than \$280 over the life of the products. If streaming movies or videos over the Internet, remember that laptops and tablets use less energy compared to streaming over desktop computers or game consoles. More: [www.energystar.gov/holiday](http://www.energystar.gov/holiday).

Tips from EPA’s WaterSense Program include:

Many Americans know about the importance of saving energy and water. But few know about the drops-to-watts connection – that it takes energy to pump, treat, heat, and deliver the water we use every day for showering, bathing, cooking and cleaning. In fact, homes with electric water heaters spend one-fourth of their total electric bills just to heat water.

- Save 2,900 Gallons of Water at Home - One of the easiest ways to save energy and water is to install water-efficient, high-performing WaterSense labeled products such as showerheads. By replacing just one showerhead with a WaterSense labeled model, EPA estimates the average family can save 2,900 gallons of water, or the amount of electricity needed to power an entire home for 13 days.
- Install WaterSense Fixtures and Energy Star Appliances - If every home in the United States were equipped with WaterSense labeled fixtures and Energy Star certified appliances, water and wastewater utilities could save 12 billion kilowatt-hours of electricity per year and save \$775 million in electricity costs per year.
- Shower Better and Save \$5 Billion in Water and Energy - Simple changes made at home add up across the country. If every home in the United States replaced existing showerheads with WaterSense labeled models, the nation could save more than 260 billion gallons of water and more than \$5 billion in water and energy costs annually.
