Troop 838 is a 25-year old organization serving young men from the Little Miami School District. Currently 30+ strong, Troop 838 is an active and successful "boy led" troop; strong in its commitment to the young men it serves and dedicated to the principles of the Scout Oath and Law. The key to the continued success of the troop is an exciting outdoor program consisting of monthly weekend outings and a weeklong "summer experience" that includes a traditional Boy Scout summer camp and/or troop organized High Adventure trips.

Our Scouts also serve our community in a number of projects. You may have seen them helping with local events at the VFW, Morgan's Canoe Livery, or serving as the color guard for the Morrow Memorial Day Parade. Many of the Scouts can also be found participating in one of the long-term Eagle Scout projects organized this past year solely by Eagle Scout candidates from the troop.

This mulch sale helps local Scouts earn funds to participate in scouting events and/or purchase scouting supplies, in addition to attending a week long Summer Camp at Camp Friedlander. Scouts use their earnings to pay for trips year round.

The mulch undertaking is organized and managed by the Scouts under adult supervision. Please consider favoring the local young men of Troop 838 with an order this year.
