"This unique and popular outdoor learning experience has opened doors for campers that have led them to successful careers in a number of natural resource-related fields," said Robert Boyles, ODNR deputy director and state forester. "More than 10,000 young people have made lasting friendships while learning important lessons in conservation."

The Ohio Forestry and Wildlife Conservation Camp is a week-long resident camp with the goal of reaching the next generation of caretakers of Ohio's valuable natural resources. Programs at this year's camp include tree identification, ecology, wildlife management, forest management, invasive species, wildlife monitoring, tree climbing and forest industries, along with many other topics.

The camp is sponsored by the Ohio Forestry Association Foundation, a private, not-for-profit organization whose purpose is to promote the wise management of Ohio's forests and natural resources. The camp is supported by the ODNR divisions of Wildlife and Forestry, The Ohio State University (OSU) Extension, county soil and water conservation districts (SWCDs) and other private and government organizations with natural resource professionals who teach a variety of subjects.

Campers spend the week making new friends, participating in fun camp activities and learning about the environment around them. Camp culminates with a comprehensive exam, including a tree identification section. The highest scoring students compete for college scholarships to Hocking College, The Ohio State University and Ohio University.

Camp costs \$375, with sponsorships available to assist interested students who need help covering the fee. Sponsorships are offered through local SWCD offices, sportsmen's clubs, forestry groups and many private forestry-sector businesses. Camp is open to youth who have completed the eighth grade. Students should be registered by June 7 to participate. Medieval Film Gearing up to Shoot in Morrow, Ohio

Here is the background: On the 15th of July, 1410, 13 Teutonic Knights survived the slaughter at Grundwald. Their nerves were tested on the battlefield with blood and steel, but would nerves be enough against the mysterious figure they encounter on their way home. Days after their slaughter at Grunwald, 137 Teutonic Knights and a handful of their squires are on the journey home to Marienburge Castle when they're attacked by 200 warriors. Many lives are lost. Only 13 knights and one squire escape with their lives. Of the enemy, one remains unscathed and is taken prisoner, a monk of the Dominicans with a dark secret. The Knights and their prisoner set out again for home when a strange robed figure makes himself known. Werner, the leader of the Teutonics, sends out Luther and the squire, Karl, to see what the figure wants of them. They get their answer when Luther brings back Karl's head. The Knights decide to stand and fight, when they happen along three women fleeing from the figure. The women tell their stories of the evil and a mysterious man known only as the dark master. When the sun goes down, the dark master resurrects three ancient Knights to kill the Teutonics, but once again, these men prove to be a worthy adversary and defeat the undead. All hell literally breaks loose as the dark master comes for their blood.

The film started off as an experiment to see what kind of film we could do with no money, or very little, and has quickly grown into an epic. Actors are providing their own costumes. We don't want anyone to break their bank, so we provide links to piece together costumes ranging from \$200 all the way up to \$1,000. For purchasing their costumes they all are contributors/investors and executive producers, with IMDb credit and perks and will receive a healthy cut in the film. Shooting will be on weekends only July 31 – October 24, 2015. Our goal is to have one hell of a good time shooting this, as well as, creating a good film. Everyone has a stake in the game. Filming will be in Morrow, Ohio, on the following dates:

Sunday, August 2, 2015, beginning at 8:00 am

Saturday, August 8, 2015, beginning at 8:00 am

Sunday, August 9, 2015, beginning at 8:00 am

Third Annual Morrow Police Department National Night Out Against Crime – August 4

On Tuesday, August 4, 2015, from 5:00 pm – 7:00 pm, the Morrow Police Department will hold their Third Annual National Night Out Against Crime event. Over 75 people attended last year's event and enjoyed free hot dogs, soda and water, inspected police vehicles, learned about the Morrow Neighborhood Watch Program, received free literature on a variety of topics and spoke with officers from the Morrow Police Department, Ohio Highway Patrol, Warren County Sheriff's Department and Ohio Department of Natural Resources Village, as well as local elected officials, candidates for office and Village staff. Please plan to join us for an even bigger event this year.

The National Association of Town Watch began the National Night Out program in 1984 as an effort to promote involvement in crime prevention activities, police-community partnerships, neighborhood camaraderie, and send a message to criminals letting them know that neighborhoods are organized and fighting back. National Night Out now involves over 37.8 million people and 16,124 communities from all fifty states, U.S. Territories, Canadian cities, and military bases worldwide. NATW's Executive Director, Matt Peskin said, "It's a wonderful opportunity for communities nationwide to promote police-community partnerships, crime prevention, and neighborhood camaraderie. While the one night is certainly not an answer to crime, drugs and violence, National Night Out represents the kind of spirit, energy and determination to help make neighborhoods a safer place year round. The night celebrates safety and crime prevention successes and works to expand and strengthen programs for the next 364 days."

1. Measure the circumference of your tree at four feet up from the base and make a rough estimate of the tree's height.
2. Call the District with the tree's measurements and your contact information between 8:00 am - 4:30 pm Monday - Friday. **Deadline to enter is August 7, 2015.**
3. If your entry is among the largest we will contact you to make arrangements to have the tree measured by our judges.

The winner will receive a plaque commemorating the tree, which will be presented at the District's Annual Banquet on Wednesday, August 26, 2015, at Valley Vineyards.

Facts:

An American Sycamore tree can often be easily distinguished from other trees by its exfoliating bark which flakes off in irregular masses, leaving the surface mottled, and greenish-white, gray and brown. The explanation for this characteristic is found in the rigid texture of the bark tissue which lacks the elasticity of the bark of other trees, so it is incapable of stretching to accommodate the growth of wood underneath.

A Sycamore tree can grow to massive proportion, typically reaching up to 100-130 feet high and 5-7 feet in diameter when grown in deep soils. Ohio claims the largest known specimen in the United States measuring 132 ft. high and 341 inches in circumference located in Franklin County.

Help the Salem-Morrow Fire Department Protect Your Dreams

The quicker the Salem-Morrow Fire Department's firefighters or EMT's can locate you, the quicker we can begin helping you and your family. In an effort to locate your home or business in an emergency, the Salem-Morrow Fire Department is providing a 6" x 18" reflective sign that will clearly display your street address. These signs are invaluable to firefighters, EMT's, and police officers, who may be looking for your home in your time of need. Similar signs have been installed in other communities with startling results. The Salem-Morrow Fire Department is selling these signs at the low cost of \$12.00 each. If you wish to have the SMFD mount your sign for you, they will do so for \$14.00. Each sign has your street address prominently displayed on both sides in highly reflective 3" numbers against a green background similar to those on an interstate sign. The signs are installed in such a way that assures their visibility, even in high grass and snowy weather. If you would like to purchase one of these signs, simply stop by the Salem-Morrow Fire Department, 5270 East U. S. Route 22 & State Route 3, Morrow, Ohio 45152, to complete an order form. In approximately 7 days, your sign will be ready for pickup or installation. Generally, the signs can be made, while you wait, in less than 10 minutes. Isn't \$12.00 worth the peace of mind of knowing that help can find you in your time of need?

KNOX-BOX® Rapid Entry System

The KNOX-BOX® Rapid Entry System was specifically developed for the fire department. With one master key, you can gain access to commercial and residential property. More than 7,000 departments nationwide use

Knox key boxes, vaults, Haz-Mat cabinets, key switches, locking FDC caps, padlocks and the Knox-Scan heat sensor.

Many of these departments use Sentralok(tm), the master key security system, to control the Knox Master Key®. Property owners in your community store entrance keys, access cards and floor plans in high-security Knox-Boxes mounted near their building entrances.

Commercial Properties

Each KNOX-BOX® purchased by the property owner is keyed to a single master key controlled by your department. With the Knox System, there is no cost to the fire department, no waiting for a property owner to unlock the door in the middle of the night, and no forcing the door open to gain entry. The Knox Rapid Entry System reduces response time, property damage and the liability for lost keys. The Salem-Morrow Fire Department is currently using the Knox System on several properties in the area.

Residential KNOX-BOX® Program

The Salem/Morrow Fire Department has started a Residential Knox Box Program to help us help you. What is Knox Box? It's a heavy duty box that we hang on your door that has your home key in it. We have a Master key that we use to open the box in an emergency situation so we can make access to your home and let us help you.

The reason we started the program is to help us make entry to our citizens without causing damage to their property. We receive calls to residents homes and when we get there we are unable to make access do to the house is locked up tight. We end up breaking into the house to help with their emergency and then they have an extra expense fixing what we had to break. Residents stop by and offer us keys so we do not have to break in. That would be a lot of keys for us to have and maintain. This would cause more of a hindrance then help. This program is for residents that have chronic medical problems, elderly folks that live alone, persons with disabilities that would make it hard for them to let us in, and that live in our protection area. If you are not sure if you qualify, contact Chief LaFollette or Assistant Chief Harrison. This is a free service provided to our residents for as long as they need it.

This program was started by donations to the fire department. We have purchased 6 Knox Boxes and Key Secure Systems. The Key Secure Systems secures the key to the vehicle and tracks who uses it. This gives us an accountability system on the use of the key. Supplies are limited.

Morrow Area Historical Society News

Update from the Morrow Area Historical Society Executive Board

The Morrow Area Historical Society Executive Board has been meeting over the last 2 years to lay the foundation for developing a society that will collect and share our local history. We have developed our Constitution and Bylaws, published quarterly newsletters, placed digital picture frames around Morrow highlighting historic photos of the area, started a speakers program and had a booth at Christmas on Main to meet our neighbors.

We are now ready, and need, members of the community to help us in our mission. First, if you're not a member, we would love for you to join! With your membership you will receive our quarterly newsletter. It will also provide us with critical funds that we will use to develop programs that benefit the community. But maybe most importantly, it will show us that you are interested in and care about preserving and sharing our local history.

In addition to membership, we would also love to have many members of the community volunteer to help with our various projects. The opportunities range from being on a Finance Committee to develop a capital campaign that would secure a location for a museum, to writing articles for the newsletter, to planning social events for the members. We would also love to start an oral history project to collect memories and stories from the community and a project to photograph and document historic structures around the area while they still exist. If you have an idea for a project we would love to hear it!

As you can see we have many exciting avenues to explore and would love to have you join us. Please consider being a member and volunteering. Our membership brochure is below or you can call 513.899.2821. We want Morrow area history to be alive!

Portman Family to be Honored – June 6

The Portman family will be the guests of honor at the Warren County Historical Society's 75th Diamond Jubilee Gala celebration on **June 6, 2015**. William (Wym) Portman his wife Jan and Senator Rob Portman and his wife Jane will be honored for their family's many contributions to the founding and continued success of the Warren County Historical Society. Their sister Ginna Portman Amis lives out of state and cannot attend. The Portman's grandparents, Bob and Ginny Jones, were involved in the Warren County Historical Society from its inception. In fact the Society was formed in the Golden Lamb in May 1940. A few years earlier Bob and Ginny decided to emphasize the rich past of their historic inn and tavern. "That focus," according to WCHS Historian John Zimkus, "earned Bob Jones the unofficial title of 'Father of Warren County Tourism' and exposed the county's vivid history to all. The Jones/Portman family, over the years, has supported the Society in many ways and added greatly to its collections. Their contributions of Shaker furniture and artifacts have made the Warren County History Center a nationally recognized Shaker museum."

The Gala takes place at the Lebanon Conference & Banquet Center, 121 South Broadway in Lebanon and the Warren County History Center which adjoins the Conference Center. The evening will include a showcase of local catering businesses and restaurants, cash bar, live music, raffle items, silent auction items and live auction items. Janeen Coyle of WGRR radio will conduct the live auction and share master of ceremonies duties with Historian John Zimkus. Tickets cost \$60 each and can be purchased on line or by calling the History Center at 513-932-1817. For more information visit www.wchsmuseum.org.

Incumbent Training for Advanced Manufacturing Now Available

In response to workforce needs being expressed by the private sector, our office created WIIN; a program that bundles like-minded training needs within Warren County businesses. Once bundled, WIIN interfaces with area educational partners to secure the best curriculum and rate to meet training needs.

WIIN's first training offering involves businesses in the manufacturing space, and classes are currently underway. Enrollment is on-going and once the appropriate number of employees are gathered, training modules can begin.

Flexible Training

The training program will cover 16 needed skills that have been expressed by the private sector. These skills cover a broad range of electric and mechanical needs from programming to blueprint reading.

To allow maximum flexibility, each skill is taught in a separate module, and can be taken individually or in combination with other training. For specific details of each module, and to participate, please [e-mail](mailto:Matt.Schnipke@warrencountysbdc.org) Matt Schnipke.

Partnering Organizations

This effort would not be possible without collaboration from multiple sources including the Warren County Small Business Development Alliance, the Warren County Chamber Alliance, and the Warren County Port Authority. With the help of these participating organizations, WIIN hopes to deliver a quality training opportunity at a reduced cost to employers.

News You Can Use

Ohio BWC Credit Opportunity

Employers could miss out on \$1.2 billion Ohio BWC credit

About 11,000 businesses and other employers insured by the Ohio Bureau of Workers' Compensation (BWC) could lose their share of the statewide \$1.2 billion premium credit in the pending switch to prospective billing if they don't bring their accounts current by July 1.

Starting July 1, private employers will be able to pay their annual workers' compensation premiums in two, four, six or 12 installments. BWC is now sending Ohio employers notices with their projected amount due. This notice is NOT a bill. Instead, employers are encouraged to review the amount and contact BWC if they think the figure is inaccurate.

Even if your business' workers' compensation coverage has lapsed because you've fallen behind on payments, you are still eligible for the premium credit if you contact the BWC and set up a payment plan by July 1.

To receive the premium credit, employers with lapsed policies must take the following steps:

- Report unreported payroll for currently lapsed payroll periods.
- Pay any outstanding premium, late fees and penalties for assessed premium.
- Request a payment plan for any premium amounts that cannot be paid in full.

Under the new prospective billing system, businesses will be billed prior to coverage instead of the current practice of billing employers in arrears. The first payment for private employers under prospective billing is due August 31.

For more information, please contact us at either of our offices in Centerville at 937.436.3133 and in Xenia at 937.372.3504, or visit our website at www.bradstreetcpas.com.
