Third Annual Morrow Police Department National Night Out Against Crime – August 4

On Tuesday, August 4, 2015, from 5:00 pm – 7:00 pm, the Morrow Police Department will hold their Third Annual National Night Out Against Crime event. Over 75 people attended last year's event and enjoyed free hot dogs, soda and water, inspected police vehicles, learned about the Morrow Neighborhood Watch Program, received free literature on a variety of topics and spoke with officers from the Morrow Police Department, Ohio Highway Patrol, Warren County Sheriff's Department and Ohio Department of Natural Resources Village, as well as local elected officials, candidates for office and Village staff. Please plan to join us for an even bigger event this year.

The National Association of Town Watch began the National Night Out program in 1984 as an effort to promote involvement in crime prevention activities, police-community partnerships, neighborhood camaraderie, and send a message to criminals letting them know that neighborhoods are organized and fighting back. National Night Out now involves over 37.8 million people and 16,124 communities from all fifty states, U.S. Territories, Canadian cities, and military bases worldwide. NATW's Executive Director, Matt Peskin said, "It's a wonderful opportunity for communities nationwide to promote police-community partnerships, crime prevention, and neighborhood camaraderie. While the one night is certainly not an answer to crime, drugs and violence, National Night Out represents the kind of spirit, energy and determination to help make neighborhoods a safer place year round. The night celebrates safety and crime prevention successes and works to expand and strengthen programs for the next 364 days."

Medieval Film Gearing up to Shoot in Morrow, Ohio

Here is the background: On the 15th of July, 1410, 13 Teutonic Knights survived the slaughter at Grundwald. Their nerves were tested on the battlefield with blood and steel, but would nerves be enough against the mysterious figure they encounter on their way home. Days after their slaughter at Grunwald, 137 Teutonic Knights and a handful of their squires are on the journey home to Marienburge Castle when they're attacked by 200 warriors. Many lives are lost. Only 13 knights and one squire escape with their lives. Of the enemy, one remains unscathed and is taken prisoner, a monk of the Dominicans with a dark secret. The Knights and their prisoner set out again for home when a strange robed figure makes himself known. Werner, the leader of the Teutonics, sends out Luther and the squire, Karl, to see what the figure wants of them. They get their answer when Luther brings back Karl's head. The Knights decide to stand and fight, when they happen along three women fleeing from the figure. The women tell their stories of the evil and a mysterious man known only as the dark master. When the sun goes down, the dark master resurrects three ancient Knights to kill the Teutonics, but once again, these men prove to be a worthy adversary and defeat the undead. All hell literally breaks loose as the dark master comes for their blood.

The film started off as an experiment to see what kind of film we could do with no money, or very little, and has quickly grown into an epic. Actors are providing their own costumes. We don't want anyone to break their bank, so we provide links to piece together costumes ranging from \$200 all the way up to \$1,000. For purchasing their costumes they all are contributors/investors and executive producers, with IMDb credit and perks and will receive a healthy cut in the film. Shooting will be on weekends only July 31 – October 24, 2015. Our goal is to have one hell of a good time shooting this, as well as, creating a good film. Everyone has a stake in the game. Filming will be in Morrow, Ohio, on the following dates:

- Sunday, August 2, 2015, beginning at 8:00 am**
- Saturday, August 8, 2015, beginning at 8:00 am**
- Sunday, August 9, 2015, beginning at 8:00 am**

KNOX-BOX® Rapid Entry System

The KNOX-BOX® Rapid Entry System was specifically developed for the fire department. With one master key, you can gain access to commercial and residential property. More than 7,000 departments nationwide use

Knox key boxes, vaults, Haz-Mat cabinets, key switches, locking FDC caps, padlocks and the Knox-Scan heat sensor.

Many of these departments use Sentralok(tm), the master key security system, to control the Knox Master Key®. Property owners in your community store entrance keys, access cards and floor plans in high-security Knox-Boxes mounted near their building entrances.

Commercial Properties: Each KNOX-BOX® purchased by the property owner is keyed to a single master key controlled by your department. With the Knox System, there is no cost to the fire department, no waiting for a property owner to unlock the door in the middle of the night, and no forcing the door open to gain entry. The Knox Rapid Entry System reduces response time, property damage and the liability for lost keys. The Salem-Morrow Fire Department is currently using the Knox System on several properties in the area.

Residential KNOX-BOX® Program: The Salem/Morrow Fire Department has started a Residential Knox Box Program to help us help you. What is Knox Box? It's a heavy duty box that we hang on your door that has your home key in it. We have a Master key that we use to open the box in an emergency situation so we can make access to your home and let us help you.

The reason we started the program is to help us make entry to our citizens without causing damage to their property. We receive calls to residents homes and when we get there we are unable to make access do to the house is locked up tight. We end up breaking into the house to help with their emergency and then they have an extra expense fixing what we had to break. Residents stop by and offer us keys so we do not have to break in. That would be a lot of keys for us to have and maintain. This would cause more of a hindrance then help. This program is for residents that have chronic medical problems, elderly folks that live alone, persons with disabilities that would make it hard for them to let us in, and that live in our protection area. If you are not sure if you qualify, contact Chief LaFollette or Assistant Chief Harrison. This is a free service provided to our residents for as long as they need it.

This program was started by donations to the fire department. We have purchased 6 Knox Boxes and Key Secure Systems. The Key Secure Systems secures the key to the vehicle and tracks who uses it. This gives us an accountability system on the use of the key. Supplies are limited.

Help the Salem-Morrow Fire Department Protect Your Dreams

The quicker the Salem-Morrow Fire Department's firefighters or EMT's can locate you, the quicker we can begin helping you and your family. In an effort to locate your home or business in an emergency, the Salem-Morrow Fire Department is providing a 6" x 18" reflective sign that will clearly display your street address. These signs are invaluable to firefighters, EMT's, and police officers, who may be looking for your home in your time of need. Similar signs have been installed in other communities with startling results. The Salem-Morrow Fire Department is selling these signs at the low cost of \$12.00 each. If you wish to have the SMFD mount your sign for you, they will do so for \$14.00. Each sign has your street address prominently displayed on both sides in highly reflective 3" numbers against a green background similar to those on an interstate sign. The signs are installed in such a way that assures their visibility, even in high grass and snowy weather. If you would like to purchase one of these signs, simply stop by the Salem-Morrow Fire Department, 5270 East U. S. Route 22 & State Route 3, Morrow, Ohio 45152, to complete an order form. In approximately 7 days, your sign will be ready for pickup or installation. Generally, the signs can be made, while you wait, in less than 10 minutes. Isn't \$12.00 worth the peace of mind of knowing that help can find you in your time of need?

Morrow Area Historical Society News

Update from the Morrow Area Historical Society Executive Board

The Morrow Area Historical Society Executive Board has been meeting over the last 2 years to lay the foundation for developing a society that will collect and share our local history. We have developed our Constitution and Bylaws, published quarterly newsletters, placed digital picture frames around Morrow highlighting historic photos of the area, started a speakers program and had a booth at Christmas on Main to meet our neighbors.

We are now ready, and need, members of the community to help us in our mission. First, if you're not a member, we would love for you to join! With your membership you will receive our quarterly newsletter. It will also provide us with critical funds that we will use to develop programs that benefit the community. But maybe most importantly, it will show us that you are interested in and care about preserving and sharing our local history.

In addition to membership, we would also love to have many members of the community volunteer to help with our various projects. The opportunities range from being on a Finance Committee to develop a capital campaign that would secure a location for a museum, to writing articles for the newsletter, to planning social events for the members. We would also love to start an oral history project to collect memories and stories from the community and a project to photograph and document historic structures around the area while they still exist. If you have an idea for a project we would love to hear it!

As you can see we have many exciting avenues to explore and would love to have you join us. Please consider being a member and volunteering. Our membership brochure is below or you can call 513.899.2821. We want Morrow area history to be alive!

2015 Membership Drive

The Friends of the Little Miami State Park are in the middle of our membership drive for 2015, and if you haven't yet joined or renewed, it's not too late to do so!

Did you know:

- We've been working closely with the Ohio Dept. of Natural Resources (ODNR) to prioritize the trail projects that will be funded by the park's share of the state funds appropriated for all Ohio State Parks last year. These projects should begin soon.
- Our park has now been assigned its own full-time ODNR staff person who will partner with the Friends to keep our trail in tip-top shape.
- You can help us respond quickly to trees and limbs that fall on the trail. Call or text our hotline number: 513-212-6958. It helps if you send a photo from your phone so we know what equipment we'll need.
- Our TrailMail newsletter goes out each month to over 1,540 people
- We now provide several rented port-o-lets year round, so facilities are no more than 10 miles apart.

As a non-profit, all-volunteer organization, we rely on community support to continue our work. We have multiple sources of revenue--donations, memberships, trailside pipe safes, Kroger Community Rewards, EarthShare, and grants--but our primary sources of recurring revenue are Donations and Memberships.

Can we count on you? Joining or renewing your membership for the 2015 season is only \$20 for an individual, \$35 for a family, and easy! You can do it all online via credit card or PayPal. Or, if you prefer, download the form and mail it in. Just click here:

Enjoy a Healthy Lunch at the Earl J. Maag Center

Are you tired of always eating alone? Is cooking becoming too much work? Are you looking for somewhere else to eat? Would you like to meet new friends and enjoy stimulating conversation? Are you finding it hard to make ends meet? If you answered "Yes" to any of these questions, then you may not be living as healthy as you can. Maag Center, 124 Pamela Drive, Morrow, Ohio 45152," says Mary Catherine Faller, MS, RD, LD, Manager of WCCS' Nutrition Services. Lunch with two menu options is served at 12:00 pm (noon) every Monday-Friday. Find the daily menus online at www.wccsi.org. Incumbent Training for Advanced Manufacturing Now Available

In response to workforce needs being expressed by the private sector, our office created WIIN; a program that bundles like-minded training needs within Warren County businesses. Once bundled, WIIN interfaces with area educational partners to secure the best curriculum and rate to meet training needs.

WIIN’s first training offering involves businesses in the manufacturing space, and classes are currently underway. Enrollment is on-going and once the appropriate number of employees are gathered, training modules can begin.

Flexible Training

The training program will cover 16 needed skills that have been expressed by the private sector. These skills cover a broad range of electric and mechanical needs from programming to blueprint reading.

To allow maximum flexibility, each skill is taught in a separate module, and can be taken individually or in combination with other training. For specific details of each module, and to participate, please [e-mail](#) Matt Schnipke.

Partnering Organizations

This effort would not be possible without collaboration from multiple sources including the Warren County Small Business Development Alliance, the Warren County Chamber Alliance, and the Warren County Port Authority. With the help of these participating organizations, WIIN hopes to deliver a quality training opportunity at a reduced cost to employers.

News You Can Use

The Nanny Tax

Now that the school year has ended, it is time to consider child care during the summer months.

Instead of sending children to day care or summer day camp, many parents consider hiring a nanny or frequent baby sitter to watch their children. As if balancing work and childrearing is not challenging enough, if parents get outside help to care for their children at home, they will also need to understand the tax implications. Unless they are tax experts, they probably have a few questions about how to do things correctly.

If parents have a nanny or frequent babysitter watching their children at home, that person is considered a household employee if she is in charge of what work is done and how it is done (which is usually the case). It does not matter whether the person works full time or part time, or that the person was hired through an agency or from a list provided by an agency or association. It also does not matter whether the person is paid for the job on an hourly, daily or weekly basis.

On the flipside, someone providing childcare services in his or her own home is not a household employee of the parents. Likewise if an agency who provides the worker is in charge of what work is done and how it is done, the worker is not a household employee of the parents.

As a household employee, a nanny or frequent baby sitter is going to cost parents more than the rate they pay for watching their children. In addition to paying the employee's wages, they may be required to pay household employment taxes, popularly referred to as the "nanny tax."

The nanny tax involves two separate employment taxes. Whether the parents are responsible for either depends on the amount they pay.

First is FICA, which is Social Security and Medicare taxes. FICA is a 15.3 percent tax on cash wages that is generally split equally between the employer and employee. Parents and their household employee each pay 7.65 percent – which is 6.2 percent Social Security tax plus 1.45 percent Medicare tax.

In 2015, the IRS requires anyone with a household employee to withhold and pay FICA for any employee with annual cash wages of \$1,900 or more.

The rules and reporting of "nanny wages" and "nanny taxes" get pretty complicated real quick.

The important thing to remember is that if you pay someone more than \$1,900 this summer, you need to give us a call.
