### **9th Annual Community Christmas Dinner – December 12**

In cooperation with area businesses, volunteers and area elected officials, we are organizing the 9th Annual Community Christmas Dinner to be held December 12, 2015. Our plan for this event is to feed 800+ community members, some of whom may not otherwise receive a "real" holiday meal.

Unfortunately, we do not have all of the resources necessary to host an event of this magnitude without the involvement of the community. Therefore, we are respectfully requesting donations from area businesses to help in this community project.

Regardless of whether it is a monetary donation, a gift card, or donation of time in the serving line, it will be greatly appreciated. Remember, your donation may be tax deductible! Please make checks payable to "Morrow Community Christmas Dinner," Tax Identification Number 201221601112. Checks can be mailed to: Morrow Community Christmas Dinner · c/o Merilene Skaggs · 5180 Radford Drive · Morrow, Ohio 45152

## **Salem/Morrow Fire Department Cadet Program**

The Salem/Morrow Fire Department Cadets is a youth oriented program directed at helping young adults who have an interest in the field of firefighting and Emergency Medical Services, as well as, to assist the Salem/Morrow Fire Department when able.

The program meets on the 1st (first) Monday of the month at the fire station at 1800 hrs. Cadets are required to participate in the department's fire training, held the 2nd (second) Monday of each month at 1830 hrs. Cadets are taught the basic skills of firefighting and first aid. Much of the training is hands-on and is supervised by Fire Department personnel. Meetings also include public service projects and fund raising activities.

Cadets are allowed to respond with the department to any "station response", provided that he/she is not serving any type of suspension – school or program. During the school year, cadets are permitted to make runs from the time that school is dismissed for the day until 9:30pm, only if school assignments are complete or at the discretion of parents/guardians. If cadets are on a response close to the 9:30pm cut-off, every attempt will be made to return them to the station to meet their parents/guardians or to take them home. During school vacations/breaks, cadets are allowed to run around the clock, but only at the discretion of his/her parent/guardian.

Cadets will learn how hard work, discipline, and a structured work environment in the fire service promote safety and teamwork toward successfully completing a common objective. All members shall be trained and certified in Basic First Aid and C.P.R. Cadets will also gain a sense of pride in serving the community. Parents will witness the positive outcome by having their child enroll in this growing program.

## **KNOX-BOX® Rapid Entry System**

The KNOX-BOX® Rapid Entry System was specifically developed for the fire department. With one master key, you can gain access to commercial and residential property. More than 7,000 departments nationwide use Knox key boxes, vaults, Haz-Mat cabinets, key switches, locking FDC caps, padlocks and the Knox-Scan heat sensor. Many of these departments use Sentralok(tm), the master key security system, to control the Knox Master Key®. Property owners in your community store entrance keys, access cards and floor plans in high-security Knox-Boxes mounted near their building entrances.

Commercial Properties: Each KNOX-BOX® purchased by the property owner is keyed to a single master key controlled by your department. With the Knox System, there is no cost to the fire department, no waiting for a property owner to unlock the door in the middle of the night, and no forcing the door open to gain entry. The Knox Rapid Entry System reduces response time, property damage and the liability for lost keys. The Salem-Morrow Fire Department is currently using the Knox System on several properties in the area.

Residential KNOX-BOX® Program: The Salem/Morrow Fire Department has started a Residential Knox Box Program to help us help you. What is Knox Box? It's a heavy duty box that we hang on your door that has your home key in it. We have a Master key that we use to open the box in an emergency situation so we can make access to your home and let us help you.

The reason we started the program is to help us make entry to our citizens without causing damage to their property. We receive calls to residents homes and when we get there we are unable to make access do to the house is locked up tight. We end up breaking into the house to help with their emergency and then they have an extra expense fixing what we had to break. Residents stop by and offer us keys so we do not have to break in. That would be a lot of keys for us to have and maintain. This would cause more of a hindrance then help. This program is for residents that have chronic medical problems, elderly folks that live alone, persons with disabilities that would make it hard for them to let us in, and that live in our protection area. If you are not sure if you qualify, contact Chief Harrison. This is a free service provided to our residents for as long as they need it.

This program was started by donations to the fire department. We have purchased 6 Knox Boxes and Key Secure Systems. The Key Secure Systems secures the key to the vehicle and tracks who uses it. This gives us an accountability system on the use of the key. Supplies are limited.

### **Help the Salem-Morrow Fire Department Protect Your Dreams**

The quicker the Salem-Morrow Fire Department's firefighters or EMT's can locate you, the quicker we can begin helping you and your family. In an effort to locate your home or business in an emergency, the Salem-Morrow Fire Department is providing a 6" x 18" reflective sign that will clearly display your street address. These signs are invaluable to firefighters, EMT's, and police officers, who may be looking for your home in your time of need. Similar signs have been installed in other communities with startling results. The Salem-Morrow Fire Department is selling these signs at the low cost of \$12.00 each. If you wish to have the SMFD mount your sign for you, they will do so for \$14.00. Each sign has your street address prominently displayed on both sides in highly reflective 3" numbers against a green background similar to those on an interstate sign. The signs are installed in such a way that assures their visibility, even in high grass and snowy weather. If you would like to purchase one of these signs, simply stop by the Salem-Morrow Fire Department, 5270 East U. S. Route 22 & State Route 3, Morrow, Ohio 45152, to complete an order form. In approximately 7 days, your sign will be ready for pickup or installation. Generally, the signs can be made, while you wait, in less than 10 minutes. Isn't \$12.00 worth the peace of mind of knowing that help can find you in your time of need?

Winter Wonderland is back again this season. Your child can make a craft, visit animals, decorate a cookie and visit Santa. Winter Wonderland is open from 10:00 am - 6:00 pm on seven dates:

11/27 - 11/29, 12/5, 12/6, 12/12 and 12/13

*If You Have Not Visited Santa At Big Tree Plantation You Have Not Visited Santa!*

#### Look for Hannah's Nut House

Open the first two weekends after Thanksgiving.

Between the Tree Barn and the Gift Barn sits last year's Big Addition.

Affectionately named Hannah's Nut House, you can pay for your Christmas Tree without going into the gift barn.

While you are in the Nut House you can purchase Roasted Almonds, Funnel Cakes, Nachos, Pretzels, Pop, Water and Cappuccino.

The Nut House is the perfect stop for those less interested in our Gift Barn and more interested in feeding Goats and Ducks.

Every year more and more customers come to our farm just to visit our Gift Barn!

Decorated Wreaths, Greenery, Beautiful Decorations, Gifts, Great Food and a KIDS SHOP just for little ones are just some of the reasons our Gift Barn is so popular.

Our courteous staff are ready to help personalize a special ornament or find just the right bow for your wreath.

Come see our painted tree and visit our life size Nativity.

Please check the Events and Specials page at [www.bigtreeplantation.com](http://www.bigtreeplantation.com) for coupons as well as tree varieties, sizes and prices. Your well behaved dogs are always welcome when on a leash. For a complete listing of hours and events visit us at [www.bigtreeplantation.com](http://www.bigtreeplantation.com).

*Every year we try to improve the experience of our customers. We listen to what you tell us you want and need to make your visit more enjoyable. We hope the Memories you create with your family at our farm during Christmas become your Traditions.*

*Last year we discovered a new way of managing our tree loading process. This process along with our new Nut House greatly reduced wait times and improved our accuracy to a success rate greater than 99.99%. As great as that is and as crazy as it might sound we have tweaked that system in pursuit of the year we accomplish a 100% success rate.*

*Pursuing better service and higher quality is just one small way we attempt to honor Jesus all year. After all...He is the reason we celebrate this time of year. We pray that for a couple of hours while you visit our farm that the "craziness" of this world will subside and you enjoy peace and laughter with your family.*

*Thank you for supporting our business and celebrating Christmas.*

## **Viox Excavating 6-Month Reminder**

It's time to divert your septic system. Doing this twice a year helps your septic or mound system lasts a lifetime. For more insights, see our free report [Prevent Septic System Nightmares! 6 Things You Need To Know](#).

### **Diverting Your Septic System Instructions**

1. You'll need a "key" to do this. One was provided as a part of the septic system installation and may be stored inside one of the risers on your tank. If your key has been misplaced, a replacement can be purchased from your local hardware store.
2. Take the lid off the white PVC pipe that sticks up out of the ground. You will see a 1 and 2 at the 11:00 and 1:00 positions. (If they are obscured by mud, pour water in to rinse them.)
3. Use the key to turn the valve to the other number. It may be quite difficult to turn but will not break.
4. Return the lid and forget about it until you receive your next reminder in 6 months.

### **Additional Reminders**

Six months from now, and every 6 months thereafter, you'll receive an email reminding you to divert your system. If you move or want to stop receiving the reminders, you can always unsubscribe at the bottom of each email.

We're pleased to help you with all your excavating needs. In addition to septic and mound systems, we do:

- Pond Repairs
- Complete Lot Development
- Install Hauled Water Storage Systems
- Other Excavating Services

Please let us know if there is any way we can help.

Thanks,

The Viox Excavating Team

## Trail Closings & Alerts: Peters Cartridge Factory Soil Remediation

The Little Miami Trail remains **closed intermittently on weekdays** near Grandin Road (mile marker 35.0 - 35.5) through November 20. Work activities related to the Peters Cartridge Factory site soil remediation project necessitate closures on certain days, depending on weather, between 7:00 a.m. and 5:30 p.m. The trail will be open on weekends. Do not attempt to enter the area when the gates are closed. The trail parking lot at Grandin Rd. is also currently closed, but may reopen soon. Please call the 24/7 hotline for Peters trail closures for ongoing daily updated information: 513-552-7030.

## What Can YOU Do in an Hour?

- Plant 5 trees
- Refinish a table with a friend
- Pick up litter
- Write an article
- Stain a kiosk
- Clean brush from a bridge
- Take a dozen photos
- Clean 5 signs
- Clear a culvert pipe

If even a quarter of the thousands who enjoy our trail would give back just one hour to help maintain it, that would be enough. As FLMSP board member Paul always says, "ANY help is GOOD help." Please send an email with your contact information and how you would like to give your ONE HOUR to [volunteer@flmsp.org](mailto:volunteer@flmsp.org).

## Battling the Bumps

This month marks the start of an all-out assault on the root bumps that jolt our ride on cycles and skates. They are caused by trees near the trail sending out roots beneath the asphalt that push up on the trail surface as they grow.

The battle will be on two fronts: grinding down existing bumps (you've seen them marked in yellow over the last several weeks), and cutting the roots beside the trail to prevent further incursion.

Don Hahn is leading the team that scarifies the bumps on the trail surface and fills cracks where necessary. To learn more, [contact Don by email](#).

A team of four FLMSP volunteers has researched and organized our first-ever use of a root cutter borrowed from another trail friends group and to be pulled with a rented tractor. The modified plow hardware will cut through the roots near the edge of the trail. Read more about the plan [here](#). For more information, you may contact [Ron Gorley](#).

## Ongoing Volunteer Needs

- Help with regular maintenance on a trail section near you
- Tow the FLMSP blower to clear the trail of leaves and debris
- Publicize FLMSP at community events; we'll provide materials
- Help manage trail counters and their data files
- Write for our newsletter
- Provide photos of trail users (especially families) for our website

To respond to these needs or learn about other needs, please visit our [Volunteer webpage](#).

Are you tired of always eating alone? Is cooking becoming too much work? Are you looking for somewhere else to eat? Would you like to meet new friends and enjoy stimulating conversation? Are you finding it hard to make ends meet? If you answered "Yes" to any of these questions, then you may not be living as healthy as you can. Sometimes the WCCS lunch is that person's only full meal of the day. You can find a healthy, delicious meal at the Earl J. Maag Center, 124 Pamela Drive, Morrow, Ohio 45152," says Mary Catherine Faller, MS, RD, LD, Manager of WCCS' Nutrition Services. Lunch with two menu options is served at 12:00 pm (noon) every Monday-Friday. Find the daily menus online at [www.wccsi.org](http://www.wccsi.org).

### **Incumbent Training for Advanced Manufacturing Now Available**

In response to workforce needs being expressed by the private sector, our office created WIIN; a program that bundles like-minded training needs within Warren County businesses. Once bundled, WIIN interfaces with area educational partners to secure the best curriculum and rate to meet training needs.

WIIN's first training offering involves businesses in the manufacturing space, and classes are currently underway. Enrollment is on-going and once the appropriate number of employees are gathered, training modules can begin.

### Flexible Training

The training program will cover 16 needed skills that have been expressed by the private sector. These skills cover a broad range of electric and mechanical needs from programming to blueprint reading. To allow maximum flexibility, each skill is taught in a separate module, and can be taken individually or in combination with other training. For specific details of each module, and to participate, please [e-mail](mailto:Matt.Schnipke@warrencountyohio.gov) Matt Schnipke.

### Partnering Organizations

This effort would not be possible without collaboration from multiple sources including the Warren County Small Business Development Alliance, the Warren County Chamber Alliance, and the Warren County Port Authority. With the help of these participating organizations, WIIN hopes to deliver a quality training opportunity at a reduced cost to employers.

## **BusinessUSA: Thank Your Customers**

### **4 Ways to Thank Your Customers This Thanksgiving**

Gobble, gobble! As anxious as we are to grab some turkey, it's always good to take time and truly reflect. So this Thanksgiving, those of us at BusinessUSA would like to take the opportunity to thank our partners and readers for their continued support. We couldn't do it without you.

We know that from strategic planning to managing partnerships, business can be quite hectic. That's why Thanksgiving is a great time to stop and thank those who have made your business thrive: your customers. In this newsletter, we highlight four ways to thank customers during the Thanksgiving holiday weekend and beyond. We also highlight a new tool designed for those new to farming, and a trade fair that attracts more than 200,000 attendees.

Now, grab your fork and let's dig in!

#### 1. Showcase the Human Side of Your Brand

What are your customers sharing online? More than likely, it's deals, pictures of their families or general updates of their lives. Encourage them to submit photos (via social media) of their family gatherings, dinner spread or a picture of what they are thankful for. Highlight the top photos and videos with a retweet, like or share. Take it a step further and create a story via [Storify](#) that can be viewed by all.

#### 2. Thank Them on a Not-So-Typical Day

Customers receive a lot of emails from their favorite companies during the week of Thanksgiving. Why not choose a different day to show your appreciation? For example, November 29th is Electronic Greetings Day and December 4th is Cookie Day. Try sending your exclusive customers a gift basket of cookies or an electronic greeting with a buy-one-get-one (BOGO) deal.

#### 3. Host a Holiday Party

Give your customers the break they deserve and celebrate! Hire a DJ, rent a photo booth and pass around a few hors d'oeuvres for an exclusive celebration to thank them for their help and support.

#### 4. Be Teachable and Seek Feedback

Without your clients and customers, your business would more than likely have a tough time thriving. Thank them for their patronage and seek their ideas on how to make your business better. This not only makes them feel valued, but it also provides you with an opportunity to incorporate some of the better ideas into your strategic business plan. Everyone wins!

## News You Can Use

### **The Future of Retirement Planning - Part 3**

We are going to run a three-part series of articles written by Wealth Management.com. Several legislative changes are on the horizon that will impact everything we know about retirement planning. Here is what Washington lawmakers have in their crosshairs:

#### Limits on Contributions

Some retirement policy reform plans have called for capping the amount that could be contributed pretax to retirement accounts. A Republican plan put forward in 2014, for example, would have disallowed contributions to traditional IRAs and removed income limits on Roth IRA contributions. The proposal, which came from then House Ways and Means Committee chairman Dave Camp, also would have limited pretax employee contributions to 401(k) plans to half the total contribution limit, with any additional contributions going into Roth accounts. He also wanted to suspend inflation adjustments on total contributions to 401(k)s until 2024.

#### RMD Harmonization

This one doesn't come up often in Washington, but the White House's proposed moves to simplify required minimum distribution (RMD) rules are worthy of noting here. Harmonization would involve introducing RMDs for Roth IRAs after age 70 ½, and limiting new contributions to Roths after that age (unifying the rules for Roths with traditional IRAs).
