### **Minutes of Morrow Tree Board Meeting Dec 15, 2016**

The meeting was called to order at 3:04pm and the Pledge of Allegiance was recited.

Present were Agnes McIntosh, SueAnn Nelson and Barbara Thompson. Mayor Bryant was present for part of the meeting.

Minutes of the Nov 17 meeting were approved.

Old business was discussed: Trees as discussed in the Sept meeting were discussed again, as to why they have not been delivered. They will be delivered in 2017.

Discussed the reason the trees Bishop Park died. SueAnn stated that she had done research and determined that the roots were impacted when they were planted. Yorkie stated that too much Miracle-Gro is harmful, and that trees can never be watered too much. The board decided that the trees would be replaced in 2017.

SueAnn stated that now is the time of year to clean up honeysuckle at Flat Rock. Agnes objected, and stated that there could be poison ivy mingled with the honeysuckle. Flat Rock discussion was tabled until the new Tree Board convenes in 2017.

Barbara asked what happened to the submitting of the biggest tree. SueAnn responded that Mike Bryant had seen two persimmon trees, one with fruit. Nicholle and SueAnn drove around town taking pictures of trees and looking for trees. Further discussion was tabled until the January 2017 meeting.

Agnes moved to adjourn and Barbara seconded the motion. Meeting was adjourned by unanimous vote at 3:30pm.
