Morrow Tree Board Meeting was called to order on Monday, April 8, by President Judy Neal. The Pledge of Allegiance was recited and minutes of our March meeting were read and approved.

All three members and Carol Whitaker will be attending the Tree City USA awards ceremony in Centerville on Friday, April 26.

Because Bradford pear trees are an invasive species the Ohio Department of Natural Resources wants to remove those along the bike trail on Main Street. Their roots are causing the blacktop on the trail to buckle. Removal will be done at no cost to us. We voted to recommend to Morrow Council that these trees should be saved if at all possible.

Judy read a letter from Dan Lambe, President of Arbor Day Foundation congratulating Morrow on being a Tree City USA and helping to create a healthier planet for all of us.

Meeting adjourned and our next meeting will be held on Monday, June 10.
