Morrow Tree Board meeting was called to order at 9:00 at the Village Administration Building on Thursday, October 1, by Chairperson Judy Neal. The Pledge of Allegiance was recited and the minutes of our September meeting were read and approved.

A consultant from Anthony Richard Landscaping thinks there is room for only 1 or 2 trees at the Point. Paul made a motion which was seconded by Agnes to postpone planting of dogwoods and replacement of the dead tree in Children's Park until 2021.

Judy will attend next council meeting to explain the purpose and duties of the Tree Board.

No Boy Scout is currently working toward the Eagle award. We can reach out to an arborist who serves on Mason Tree Board and has previously volunteered any assistance we might need.

The big oak tree near the gazebo in Bishop Park is dying and will probably need to be removed and replaced in the spring.

Motion to adjourn was made by Judy and seconded by Paul. Next meeting is scheduled for November 5.
