Purpose

The Mayor stated the purpose for the meeting: Village Annual Tax Budget.

Mayor Bryant deferred to the Village Fiscal Officer Tina Powell. Powell provided information on deadlines and details for submission of the Tax Budget to Warren County. She discussed the proposed Tax Budget, estimated receipts and expenditures. A spreadsheet was shown using slides with significant line items highlighted. Powell stated the Village has \$797,303.46 unencumbered now in the General Fund and will have \$1,012,117.90 in green at the end of 2022.

She reviewed major General Fund items, to include the Water Plant and the Street Fund. Powell discussed the Water Operating Fund, advising it was under budget by \$104,730.37 with an ending fund balance of \$369,288.33. She explained the Water Operating Fund is not part of the General Fund and discussed appropriate use of funds. She provided totals for estimated receipts.

State Highway Fund, Revenue and Expenditures were highlighted. The Fiscal Officer advised Income Tax Receipts would hit over \$600,000 this year, a slight increase in the budget revenue. Powell advised she used \$525,000 conservatively in the 2023 Tax Budget.

The Fiscal Officer stated she allowed for 3% employee increases under Expenditures in the 2023 budget. Budget is due to Warren County for review following Village approval. Village Solicitor John Kaspar read the pending Resolution.
